Experience

April 2023 - present

OASIS Summer Bridge University of California, San Diego – *peer mxntor*

- Providing Guidance: Peer mentors offer guidance and support to their mentees, helping them navigate academic, personal, and social challenges they may encounter during their college experience.
- Building Relationships: Peer mentors establish and maintain positive relationships with their mentees, fostering trust, rapport, and open communication to create a supportive and inclusive environment.
- Offering Resources: Peer mentors connect mentees with campus resources, programs, and opportunities that align with their needs and goals, empowering them to make informed decisions and access the support they need to succeed.

March 2022 - August 2022

Boy's and Girl's Club, Los Angeles Harbor – *Intern and peer tutor*

- Boys and girls club of los angeles harbor runs an after school program where the student can ask for help in their studies.
- It is also my job to make sure that they have done their homework and they do understand what is being taught to them.
- As an intern and peer tutor, I was expected to teach math and science to high school and middle school and push them to develop problem solving skills.
